Answer

THE MINSTER OF STATE IN THE MINISTRY OF RAILWAY (DR. R. VELU)

(a) to (c) No, sir. There is no demand/proposal received from State Government/Local authorities for construction of new level crossing at Piprala between Gandhidham and Palanpur. However, Level Crossing No. 147 at Km. 171/8-9 and Level Crossing No. 148 at Km. 173/1-2 already exists on either side of Piprala station within 600 metres.
